

About Little Man

Welcome!

Welcome to Little Man Ice Cream! We specialize in handmade, artisan ice cream, sorbet, and gelato. In the winter we also serve hot chocolate, apple cider, and homemade soups!

We are looking for people that care.

Our ingredients take so much time and love to grow and make. We don't want all that passion and time that went into preparing our goods to go to waste. We want our customers to not only enjoy it, but know about it. So, we need scoopers that care about the product and care about serving customers well.

The basics...

Our experience in food service makes us well aware of some basic requirements of our staff for our store to run well. So read the requirements and initial them to indicate that you have read, understand and can comply (not only now, but through the length of your employment.)

If you are a minor, we are firm believers that your parent(s) or guardian(s) need to be involved in your life. In this case, your work life. In our experience if the parent/guardian is not aware of the job requirements, responsibilities or commitment, the employee usually does not succeed or last in this environment. You will need their support in scheduling & getting to work on time. We are aware that as a minor your focus is as a student. As business owners, our focus is on having employees that are responsible & mature workers.

If you're under 18
